“If you could say it in words,
there would be no
reason to paint.”

While this project was not part of the Claremore Main Street Paint Grant, it shows how effective a little paint can be to give a building a new, updated look that is reflective of the business character. A simple coat of paint completely transformed the storefront.

Before (left) - Taps Unlimited in 2005
After (right) - LoliPop A Sweet Boutique after a coat of paint in 2016.
