Markings: There will be signs and the route is marked with Dan Henry Marks in bright paint on the roadway. Note that generally only the turns are marked: there are few confirming marks on long stretches where the route does not turn. The Dan Henrys will be identified with a "DR".

SAG Signal: Wave to your friendly SAGs as they go by but if you need the SAG to stop and help: **PAT THE TOP OF YOUR HELMET.**

There will be SAG and Rest Stop Support from 8:00am to 5:00pm. Call the emergency number above if you are off route or out after 5:00pm

Roads: The roads are generally lightly traveled county roads. Though in reasonably good repair, there is the usual patchwork of patches. The county roads will have no shoulders and Hwy 88 over Oologah will have a narrow shoulders. Be cautious of the traffic around the lakes and areas with narrow shoulders – riding single file to be safer. Some of the routes will cross 4-lane highways with out a traffic signal – be very careful as you cross.
